

## SEWING BAG

Make yourself this very pretty sewing bag (c. 10 inches high) – or as a gift for a friend. With a little (or no!) work before the workshop, you can complete the bag in a day.

- Up to 10–12 students
- Needs sewing machine and walking foot
- Can provide some pocket ‘fronts’

## STRETCHING YOUR IMAGINATION

Learn how to draft a block pattern and stretch it to show a different perspective. Then make enough blocks up in fabric to make a wall hanging.

- Up to 10 students
- Machine sewing
- Will provide draft paper

## PEACEFUL SCENES

These exciting embellished sea/landscape wallhangings can be all your own design from photos or imagination. The long seascape is about 24 x 10 inches. Bring a selection of gorgeous or interpretative fabrics, variegated or metallic threads, and embellishments.

- Up to 8–10 students
- Needs sewing machine and walking foot
- Can provide some interesting fabrics and embellishments

## FAIL-SAFE APPLIQUÉ

Choose one of three designs provided and learn how to make a 12-inch appliqué block, using hand or machine buttonhole stitch embroidery and embellishments to finish off. This is a ‘magical’ experience for an afternoon workshop.

- Up to 10–15 students
- Hand or machine embroidery
- Can provide beads
- Will provide choice of patterns

## OTHER WORKSHOPS

- Various bags
- Sampler quilt – 12 designs over 12 months and putting it all together
- Poem quilts – design a whole quilt around your favourite poem over a year

Ask about any of these other classes. Can meet in Weston or Willian or a venue of your choice.
